1. Printing Services
2. Copying Services
3. Mailing Services
4. Printed Promotional Products

Benefits and Cost Savings

- The statewide contract includes copy, offset, pre-press and post-press production services, and mail services that cover a broad array of services for printing, copying, mailing and printed promotional products.
- No shipping/freight charges allowed on this contract.
- Use the same contractor for repeat orders: If you have a repeat order (with the exact specifications as a previous order) within one year of previous bid, you may select the contractor who previously fulfilled the order by submitting that quote directly to that contractor for completion of the repeat order. Eligible entities are required to document such purchases in their procurement file. Also, eligible entities are strongly encouraged to obtain quotes periodically for repeat orders to assure themselves they are getting the best prices.
- COMMBUYS offers an easy, transparent method of purchasing; both through quoting and direct ordering.
- The contract offers easy to use cost sheets for (category 2) basic, low volume copying and for 10 popular promotional products (category 4). Costs for all other items must be done through a quote process.
- Categories 1 and 2 work may include a mail component in addition; all vendors are able to add the mailing component to the print or copying services.
- Strictly mail jobs must only be placed only with category 3 vendors.

- Eligible entities have the latitude to establish bidder eligibility requirements beyond those of the Statewide Contract.
